

Articles on eye care and ophthalmology in Tanzania (1995- 2008)

Blindness and Visual Impairment

1. Courtright P, Faal HB. How can we strengthen ophthalmic research in Africa? *Can J Ophthalmol* 2006; 4:424-5.
2. Poole TR. Causes of blindness in Northern Tanzania: a hospital and rural health centre based study. *International Ophthalmology*. 2001; 24: 195-8.
3. Lewallen S, Courtright P. Blindness in Eastern Africa; Strategies; Successes; and challenges. *Cataract and refractive Surgery today*

Cataract

1. Congdon N, West SK, Buhrmann RR, Kouzis A, Munoz B, Mkocho H. Prevalence of the different Types of Age-Related Cataract in an African Population. *Investigative Ophthalmology & Visual Science*. 2001; 42:247-82.
2. Courtright P, Ndegwa L, Msosa J, Banzi J. Use of Our Existing Eye Care Human Resources. Assessment of the productivity of Cataract Surgeons Trained in Eastern Tanzania. *Arch Ophthalmol*. 2007; 125:684-687.
3. Geneau R, Lewallen S, Bronsard A, Paul I, Courtright P. The social and family dynamics behind the uptake of cataract surgery: findings from Kilimanjaro region, Tanzania, *British Journal Ophthalmology*. 2005; 89:1399-402.
4. Lewallen S, Robert H, Hall A, Onyange R, Temba M, Banzi J, Courtright P. Increasing cataract surgery to meet Vision 2020 targets; experience from two rural programmes in east Africa. *British Journal Ophthalmology*. 2005; 89:1237-40.
5. Lewallen S, Geneau R, Mahande M, Msangi J, Nyaupumbwe S, Kitumba R. Willingness to pay for cataract surgery in two regions of Tanzania. *Br J Ophthalmology* 2006; 90:11-13.
6. Lewallen S. Poverty and Cataract – A Deeper Look at a Complex Issue. *PLoS Medicine*; 2008; 5; e245.
7. Jefferis, JM, Bowman, RJC, Hassan, HG, Hall AB, Lewallen S. Use of Cataract Services in Eastern Africa – A Study from Tanzania. *Ophthalmic Epidemiology*. 2008 15:62–65.

Childhood Blindness

1. Bowman R, Kabiru J, Negretti G, Wood M, Outcomes of Bilateral Cataract Surgery in Tanzania Children. *Ophthalmology* 2007;114: 2287-97 .
2. Bronsard A, Geneau R, Shirima S, Courtright P, Mwende J . Why are Children Brought Late for Cataract Surgery? Qualitative Findings from Tanzania. Tanzania', *Ophthalmic Epidemiology*, 15:6,383 – 388
3. Courtright P, Williams T, Gilbert C, Kishiki E, Shirima S, Bowman R, Lewallen S. Measuring cataract surgical services in children *Br. J. Ophthalmol.* 2008;92;1031-1034.
4. Courtright P. Meeting the needs of children with congenital and developmental cataract in Africa. *Community Eye Health* ; 2008; 21: 19
5. Mosha M, Courtright P. Change in educational Opportunities for Children Who have had Cataract surgery in Tanzania. *Visual Impairment Research*,10:44-48,2008
6. Mwende J, Bronsard A, Mosha M, Bowman R, Geneau R, Courtright P. Delay in presentation to hospital for surgery for congenital and developmental cataract in Tanzania. *British Journal for Ophthalmology.* 2005; 89:1478-82.
7. Wedner. S. H, Ross. D. A, Balira. R, Kaji. L, Foster. A. Prevalence of Eye Disease in Primary School children in a rural Area in Tanzania. *Br. J. Ophthalmol.*2000; 84:1291-97.

Diabetic Retinopathy

1. Majaliwa SE, Munubhi E, Ramaiya K, Mpemebeni R, Sanyiwa A, Mohn A, Chiararell F. Survey on Acute and Chronic Complications in children and Adolescent with type 1 Diabetes at Muhimbili National Hospital in Dar es Salaam, Tanzania. *Diabetes Care* 2007; 30:2187-2192.
2. Mumba M, Hall A, Lewallen S. Compliance with Eye Screening Examinations among Diabetic Patients at a Tanzanian Referral Hospital. *Ophthalmic Epidemiology*; 2007;14:306-310.

Glaucoma

1. Bowman RJC, Kirupananthan S. How to manage a patient with glaucoma in Africa. *Community Eye Health* 2006; 38-39.

2. Buhrmann RR, Quigley HA, Barron Y, West SK, Oliva SM, Mmbaga BBO. Prevalence of Glaucoma in Rural East African population. *Investigative Ophthalmology & Visual Science*. 2000; 41:40-48.
3. Kabiru J, Bowman RJ. Auditing of Trabeculectomy at a tertiary referral hospital in East Africa. *Journal of Glaucoma* 2005; 14:432-4.
4. Mafwiri M, Bowman RJ, Kabiru J. Primary open-angle glaucoma presentation at a tertiary unit in Africa: intraocular pressure levels and visual status. *Ophthalmic Epidemiology*. 2005; 12:299-302.
5. Quigley HA, Buhrmann RR, West SK, Isseme I, Scudder M, Oliva MS. Long term results of glaucoma surgery among participants in an east African population. *Br J Ophthalmol* 2000;84:860-864

HIV/AIDS

1. Mselle JM. Fungal keratitis as an indicator of HIV infection in Africa. *Tropical Doctor*. 1999; 29:133-135.
2. Poole TR. Conjunctival Squamous Cell Carcinoma in Tanzania. *British Journal of Ophthalmology*. 1999; 83:177-179.

Injuries/corneal diseases

1. Abraham DI, Vitae SI, West SI, Isseme I. Epidemiology of eye injuries in rural Tanzania. *Ophthalmic Epidemiology*. 1999; 6:85-94.
2. Bourne RR, Dolin PJ, Mtanda AT, Plant GT, Mohamed AA. Epidemic optic neuropathy in primary school children in Dar es Salaam, Tanzania. *Br J Ophthalmol* 1998; 82: 232-234.
3. Kennedy C, Bowman R, Fariza N, Ackuaku E, Ntim-Amponsah C, Murdoch I. Audit of Web-based telemedicine in ophthalmology. *Journal of Telemedicine and Telecare* 2006; 12: 88-91.
4. Mellinger M, Bouchez J, GL Aguilar, Pettit T, Bazra M, Martinez VC, Dupont B, Leen CL, Bouchez J. Aetiology of microbial keratitis in northern Tanzania. *Br J Ophthalmology*. 2006
5. Poole TR, Hunter DL, Maliwa EMK, Ramsay ARC. Aetiology of microbial keratitis in northern Tanzania. *Br J Ophthalmology*. 2002.
6. Poole TR. Blister beetle periorbital dermatitis and conjunctivitis in Tanzania. *Eye* 1998; 12, 883-885.

7. Shwering MS, Trojan HJ, Klauss V, Rohrbach JM, Bartz-Schmidt KU. Vier plus Eins – Das für Augenheilkunde zur Vorbereitung des Einsatzes in einem Entwicklungsland – ein Erfahrungsbericht. *Klin Monatsbl Augenheilkd.* 2006; 223 (3): 255-7.

Onchocerciasis

1. Clemmons L, Amazigo UV, Bissek AC, Noma M, Oyene U, Ekpo U, Msuya-Mpanju J, Katenga S, Seketeli A. Gender Issue in the community-directed treatment with ivermectin (CDTI) of the African Programme for onchocerciasis Control (APOC).
2. Hoc TQ, Wilkes TJ. Age determination in the Blackfly *Simulium woodi*, a Vector of Onchocerciasis in Tanzania. *Medical Veterinary Entomology.* 1995; 9:16-24.
3. Kruger A, Kalinga AK, Post RJ, Maegga BTA. Two new cytoforms of *Simulium damnosum* complex (Diptera: Simuliidae) from Malawi and Tanzania and potential onchocerciasis vectors. *Tropical Medicine and International Health.* 2004; 9:805-11.
4. Lakwo TL, Gasarasi DB. Non-adherence to community directed treatment with ivermectin for onchocerciasis control in Rungwe District, Southwest Tanzania. *East African Medical Journal* 2006; 83:.
5. Maegga B. Onchocerciasis study in Tanzania. *Sante.* 1998; 8:49-50.
6. Makunde WH, Salum FM, Massanga JJ, Alilio MS. Clinical and parasitological aspects of itching caused by onchocerciasis in Morogoro, Tanzania. *Annals Tropical Medicine Parasitology.* 2000; 94:793-9.
7. Meyrowitch DW, Simonsen PE, Magnussen P. Tolerance to diethylcarbamazine-medicated salt in individuals infected with *Onchocercavolvulus*. *Transactions of the Royal Society of Tropical Medicine and Hygiene.* 2000; 9:805-11.

Refractive errors

1. Odedra N, Wedner SH, Shigongo ZS, Nyalali K, Gilbert C. Barriers to spectacle use in Tanzania Secondary School students. *Ophthalmic Epidemiology.* 2008; 15:410-417
2. Tong L. Comments on Myopia in Secondary School Students in Tanzania. *British Journal of Ophthalmology.* 2003; 87:646-661.

3. Wedner S, Masanja H, Bowman R, Todd J, Bowman R, Gilbert C. Two strategies for correcting refractive errors in school students in Tanzania: randomized comparison, with implications for screening programmes. *Br. J. Ophthalmol.* 2008;92:19-24
4. Wedner S H, Ross. D. A, Todd. J, Balira. R, Foster. A. Myopia in Secondary school in Mwanza City, Tanzania: The Need for a National Screening Programme. *British Journal of Ophthalmology.*2002; 86:1200-1206.

Articles on eye care and ophthalmology in Tanzania (1995- 2008)

Trachoma

1. Alexander. N. D. E, Solomon. AW, Holland MJ, Baile RL, West SK, Shao JF, Mabey DC, Foster A. An Index of Community Ocular Chlamydia trachomatis load for Control of Trachoma. *Transaction of the Royal Society of Tropical Medicine and Hygiene.* 2005; 99:175-177.
2. Baggaley RF, Solomon AW, Kuper H, Polack S, Massae PA, Kelly J, Safari S, Alexander NDE. Distance to water in relation to active trachoma in Rombo district, Tanzania. *Tropical Medicine and International Health.*2006; 11:220-27.
3. Basilion EV, Kilima PM, Turner VM, Mecaskey JW. Height as a proxy for weight in determining azithromycin treatment for paediatric trachoma. *Transactions of the Royal Society of Tropical Medicine and Hygiene.*2002; 96:691-94.
4. Batt SL, Charalambous M, Solomon AW, Knirsch C, Massae PA, Safari S, Sam NE, Everett D, Mabey DC, Gillespie SH. Impact of Azithromycin Administration for Trachoma Control on the Carriage of Antibiotic-Resistant Streptococcus Pneumoniae. *Antimicrobial Agents and Chemotherapy.*2003; 47:2765-69.
5. Bobo L, Novak N, Mkocho H, Vitale S, West S, Quinn TC. Evidence for a Predominant Proinflammatory Conjunctiva Cytokine Response with Individuals with Trachoma. *Infection and Immunity.*1999; 64:3273-79.
6. Broman TA, Shum K, Munoz B, Duncan DD, West KS. Spatial Clustering of Ocular Chlamydial Infection over Time following Treatment, among Households in a Village in Tanzania. *Investigative Ophthalmology & Visual Science.*2006.47: 1.
